

Monday 08/21/2023

Intro to AFNR 8:23am - 9:10am

FFA/AET/ICEV**Homework**

Teagan and Maya will talk to the group about FFA.
Students will get themselves entered on the National FFA website, and ICEV.

Fund Ag Mechanics 9:13am - 10:00am

SAE Update**Homework**

The students will use the day to update their SAE records.

Ag Power 10:03am - 10:50am

SAE Update**Homework**

The students will use the day to update their SAE records.
Go over FFA Dates

Adv Animal Science 11:43am - 12:30pm

SAE Update**Homework**

The students will use the day to update their SAE records.
Go over FFA Dates

Fund Plant Science 1:08pm - 1:55pm

SAE Update**Homework**

The students will use the day to update their SAE records.
Go over FFA dates

Ag Structures 1:58pm - 2:45pm

SAE Update**Homework**

The students will use the day to update their SAE records.
Go over FFA Dates

8th Grade Ag 2:48pm - 3:35pm

Nat. Resources worksheet**Homework**

Student will review 8 Natural Resources and renewable/nonrenewable and exhaustible and inexhaustible.

Finish worksheet with ecological systems

Tuesday 08/22/2023

Intro to AFNR 8:23am - 9:10am

FFA Website

Homework

Put students on FFA website

Fund Ag Mechanics 9:13am - 10:00am

Legal Land Description Unit

Homework

Students will explore how land is described and why that is important

Ag Power 10:03am - 10:50am

SLO Pre Test

Homework

Students will take the SLO pretest

Then students will read Chapter 1 of SGE textbook.

Adv Animal Science 11:43am - 12:30pm

Range unit

Homework

Students will take SLO pretest

Students will download the Range manual and the scorecard.

Go over range judging contest format

Fund Plant Science 1:08pm - 1:55pm

Soils Unit

Homework

Students will take soils SLO pretest

Then I will go over soils handbook and judging contest format.

Ag Structures 1:58pm - 2:45pm

Hang Selves

Homework

Students will drill holes and hang brackets for the shelves in the storage room.

8th Grade Ag 2:48pm - 3:35pm

3 R's worksheet

Homework

Students will complete a 3 - R's worksheet -- Reduce, Reuse, Recycle of the natural resources.

Wednesday 08/23/2023

Intro to AFNR 8:23am - 9:10am

Importance of Agriculture/Careers**Homework**

Students will explore the importance of agriculture in the future and careers associated with agriculture

Fund Ag Mechanics 9:13am - 10:00am

PLSS worksheet**Homework**

Students will begin a worksheet on legal land description and especially the Public Land Survey System

Ag Power 10:03am - 10:50am

Chapter 1 worksheet**Homework**

Students will complete worksheet on Chapter 1 using powerpoint

Adv Animal Science 11:43am - 12:30pm

Range Plant ID**Homework**

Students will go out to the field and be introduced to different range plants. Types of plants (perennial, biennial, annual) (cool,warm) and characteristics.

Fund Plant Science 1:08pm - 1:55pm

Soils Pit**Homework**

Go to soils pit and pasture and talk about different soils and how and why they exist.

Ag Structures 1:58pm - 2:45pm

Hang Selves**Homework**

Students will drill holes and hang brackets for the shelves in the storage room.

8th Grade Ag 2:48pm - 3:35pm

ICEV Lesson on Natural Resource**Homework**

Students will go over ICEV power point on natural resources

Thursday 08/24/2023

Intro to AFNR 8:23am - 9:10am

Ag Careers**Homework**

Students will make a list of careers associated with each ag pathway.

Fund Ag Mechanics 9:13am - 10:00am

PLSS worksheet**Homework**

Students will continue the worksheet on Public Land Survey System.

Ag Power 10:03am - 10:50am

Chapter 1 worksheet**Homework**

Students will complete worksheet on Chapter 1 using powerpoint

Adv Animal Science 11:43am - 12:30pm

Ecological Sites**Homework**

Students will go over ecological sites portion of the range judging manual and complete the worksheet on ecological sites.

Fund Plant Science 1:08pm - 1:55pm

Soil Texture**Homework**

Students will complete a worksheet on soils texture

Ag Structures 1:58pm - 2:45pm

Shelving**Homework**

Students will cut plywood and attach the wood to the brackets in the storage room

8th Grade Ag 2:48pm - 3:35pm

ICEV Lesson -- Natural Resources**Homework**

Students will complete assessment, and vocab on the lesson

Friday 08/25/2023

Intro to AFNR 8:23am - 9:10am

16 career clusters**Homework**

Students will examine the 16 difference career clusters and go over definitions and list careers associated with each.

Fund Ag Mechanics 9:13am - 10:00am

Leveling a Transit Lab**Homework**

Students will go outside and learn how to level a transit

Ag Power 10:03am - 10:50am

Inventors report**Homework**

Students will select an inventor of small gas engine and will begin a research project on the inventor.

Adv Animal Science 11:43am - 12:30pm

Start Welding Unit**Homework**

Students will go over video and information on Lincoln 215 welder. This is the welder that we have in the shop.

Fund Plant Science 1:08pm - 1:55pm

Soil Texture Lab**Homework**

Students will go outside and perform a soils texture lab doing the feel method.

Ag Structrues 1:58pm - 2:45pm

Shelving**Homework**

Students will attach shelving and mount from round and sand shelving.

8th Grade Ag 2:48pm - 3:35pm

Upland Game Birds**Homework**

Students will start a unit on upland game birds.
