

Monday 10/02/2023

Intro to AFNR 8:23am - 9:10am

**Fall LDE Power point****Homework**

Students will see a power point on the different Fall LDE events.

Fund Ag Mechanics 9:13am - 10:00am

**Fall LDE Power point****Homework**

Students will see a power point on the different Fall LDE events.

Ag Power 10:03am - 10:50am

**Fall LDE Power point****Homework**

Students will see a power point on the different Fall LDE events.

Adv Animal Science 11:43am - 12:30pm

**SMAW -- Chapter 5 worksheet****Homework**

Students will finish the worksheet on Chapter 5 -- SMAW.

Fund Plant Science 1:08pm - 1:55pm

**Fall LDE Power point****Homework**

Students will see a power point on the different Fall LDE events.

Ag Structures 1:58pm - 2:45pm

**Fall LDE Power point****Homework**

Students will see a power point on the different Fall LDE events.

8th Grade Ag 2:48pm - 3:35pm

**Endangered/Threatened Species poster****Homework**

Students will finish and print the Endangered and Threatened species poster

Tuesday 10/03/2023

Intro to AFNR 8:23am - 9:10am

**FFA Creed -- paragraph 2****Homework**

Students will say the first 2 paragraphs of the FFA Creed

Fund Ag Mechanics 9:13am - 10:00am

**Survey Around School****Homework**

Students will get in 6 groups and survey around the school

Ag Power 10:03am - 10:50am

**Chapter 2 -- Tool ID Review****Homework**

Students will review the Tool ID and function

Adv Animal Science 11:43am - 12:30pm

**Chapter 5 worksheet review****Homework**

We will go over the worksheet on Chapter 5 SMAW.

Fund Plant Science 1:08pm - 1:55pm

**Soils Review****Homework**

Hand back all the worksheets from the soil units. Go over the Soil Health questions

Ag Structures 1:58pm - 2:45pm

**Miter Saw Operation****Homework**

Students will go over the safe operation of the DeWalt Miter Saw. Cross cut and miter cut and bevel cuts

8th Grade Ag 2:48pm - 3:35pm

**Mammals Worksheet****Homework**

Students will complete a worksheet on Small and Large mammals

Wednesday 10/04/2023

Intro to AFNR 8:23am - 9:10am

**FFA Basics worksheet****Homework**

Students will continue to complete the worksheet on FFA Basics

Fund Ag Mechanics 9:13am - 10:00am

**Survey Around School****Homework**

Students will get in 6 groups and survey around the school

Ag Power 10:03am - 10:50am

**Chapter 3 -- Engine Operation****Homework**

Students will group read Chapter 3

Adv Animal Science 11:43am - 12:30pm

**Chapter 5 SMAW -- Electrodes****Homework**

Students will read the information from Chapter 5 on SMAW Electrodes -- pages 112-120.

Fund Plant Science 1:08pm - 1:55pm

**Soils Know-Book****Homework**

Students will put information in their Soil Know-Book

Ag Structures 1:58pm - 2:45pm

**Air Tool Safe Operation****Homework**

Students will be shown and will safely operate the air nailers

8th Grade Ag 2:48pm - 3:35pm

**Shop -- sand wood****Homework**

Students will go to the shop and sand the pieces of their birdhouse.

Thursday 10/05/2023

**Intro to AFNR 8:23am - 9:10am****FFA Handbook -- Chapt 3-5****Homework**

Students will go over the information in the FFA Handbook in Chapter 3-5  
Items such as Program of Activities, National FFA convention, band, chorus, etc.

**Fund Ag Mechanics 9:13am - 10:00am****Profile Leveling on Football Field****Homework**

Students will get in 6 groups and will perform a profile leveling activity on the football field

**Ag Power 10:03am - 10:50am****Chapter 3 worksheet****Homework**

Students will complete a worksheet on Chapter 3

**Adv Animal Science 11:43am - 12:30pm****SMAW Welding Electrodes****Homework**

Students will go over different welding electrodes and understand the AWS classification

**Fund Plant Science 1:08pm - 1:55pm****Chapter 3 worksheet****Homework**

Students will complete a worksheet on Chapter 3

**Ag Structures 1:58pm - 2:45pm****Shop Projects****Homework**

Students will work on Shop projects -- growth carts and sanding tables.

**8th Grade Ag 2:48pm - 3:35pm****Mammals Worksheet****Homework**

Students will complete a worksheet on Small and Large mammals

Friday 10/06/2023

**Intro to AFNR 8:23am - 9:10am****FFA review -- Kahoot****Homework**

Students will play a Kahoot on FFA information

**Fund Ag Mechanics 9:13am - 10:00am****Profile Leveling on Football Field****Homework**

Students will get in 6 groups and will perform a profile leveling activity on the football field

**Ag Power 10:03am - 10:50am****Chapter 3 worksheet****Homework**

Students will complete a worksheet on Chapter 3

**Adv Animal Science 11:43am - 12:30pm****Chapter 5 -- Review Questions****Homework**

Students will answer the Review Questions from Chapter 5 -- page 125-126

**Fund Plant Science 1:08pm - 1:55pm****Soils Test****Homework**

Students will take the soils test

**Ag Structures 1:58pm - 2:45pm****Chapter 3 & 5 review****Homework**

Go over the worksheets from Chapter 3 and 5 that they had completed earlier in the year

**8th Grade Ag 2:48pm - 3:35pm****Sand and Assemble birdhouse****Homework**

Students will finish sanding the pieces of their birdhouse and start assembling
