

Monday 09/18/2023

Intro to AFNR 8:23am - 9:10am

FFA History worksheet

Students will go over the FFA History worksheet from the FFA Student Handbook

Fund Ag Mechanics 9:13am - 10:00am

Surveying Terms**Homework**

Students will go over terms and definitions relating to surveying.

They will also learn how to calculate new elevations using differential leveling

Ag Power 10:03am - 10:50am

Chapter 2 worksheet review**Homework**

Students will go over the Chapter 2 review worksheet that they completed on the 12th of Sept.

Adv Animal Science 11:43am - 12:30pm

Chapter 23 -- Review Worksheet**Homework**

Students will go over the Chapter 23 review worksheet

Fund Plant Science 1:08pm - 1:55pm

Land Judging review

Students will go over Land and Homesite judging review and do a problem.

Ag Structures 1:58pm - 2:45pm

Shop Projects**Homework**

Students will work on the following shop projects

- fish tank
- plumbing for growth units
- shelving/tables

8th Grade Ag 2:48pm - 3:35pm

Birdhouse**Homework**

Non football players will cut boards for birdhouse

Tuesday 09/19/2023

Intro to AFNR 8:23am - 9:10am

FFA History worksheet

Homework

Students will go over the FFA History worksheet from the FFA Student Handbook

Students will work on FFA Jacket Application

Fund Ag Mechanics 9:13am - 10:00am

Legal Land Worksheet

Homework

Students will go over legal land description worksheet that was completed on Sept. 12th.

Ag Power 10:03am - 10:50am

Chapter 2 review

Homework

Students will go over the information on Chapter 2 -- especially MSDS, hazardous material safety numbers.

Adv Animal Science 11:43am - 12:30pm

Lincoln 215 Welding Machine

Homework

Students will go over the Lincoln 215 Welding Machine and will go over how to make adjustments of the machine and changing between the welding operations

Fund Plant Science 1:08pm - 1:55pm

Land/Homesite problems

Homework

Students will complete a land and homesite problems

Ag Structures 1:58pm - 2:45pm

Shop Projects

Homework

Students will work on the following shop projects

- fish tank
- plumbing for growth units
- shelving/tables

8th Grade Ag 2:48pm - 3:35pm

Waterfowl worksheet

Homework

Students will go over the waterfowl worksheets

Wednesday 09/20/2023

Intro to AFNR 8:23am - 9:10am

FFA Jacket Application/FFA Dates Quiz**Homework**

Students will take a Dates Quiz

They will also submit their application for FFA Jacket

Fund Ag Mechanics 9:13am - 10:00am

Differential Leveling

Students will start a differential leveling project around the school.

Ag Power 10:03am - 10:50am

Chapter 2 -- Tool ID and Function**Homework**

Students will go over the tools used in SGE disassembly, measuring and reassembly and the function of each.

Adv Animal Science 11:43am - 12:30pm

Lincoln 215 Welding Machine**Homework**

Students will go over the Lincoln 215 Welding Machine and will go over how to make adjustments of the machine and changing between the welding operations

Fund Plant Science 1:08pm - 1:55pm

If-Then Statement Worksheet**Homework**

Students will complete the IF-Then Statement worksheet and review for quiz

Ag Structures 1:58pm - 2:45pm

Shop Projects**Homework**

Students will work on the following shop projects

- fish tank
- plumbing for growth units
- shelving/tables

8th Grade Ag 2:48pm - 3:35pm

Birdhouse**Homework**

Football players will cut the boards for their birdhouse

Thursday 09/21/2023

Intro to AFNR 8:23am - 9:10am

FFA Student Handbook -- Unit 2 -- FFA Basics**Homework**

Students will go over Unit 2 -- FFA Basics and fill out a worksheet

Fund Ag Mechanics 9:13am - 10:00am

Differential leveling project**Homework**

Students will continue to survey around the school

Ag Power 10:03am - 10:50am

Tool ID Review**Homework**

Students will go over and review the Tools from yesterday.

Adv Animal Science 11:43am - 12:30pm

SMAW Welding**Homework**

Students will go over the basics of Shielded Metal Arc Welding -- Chapter 24

Fund Plant Science 1:08pm - 1:55pm

Soils Review & Kahoot**Homework**

Students will go over the Soils information and do a Kahoot on soils

Ag Structures 1:58pm - 2:45pm

Shop Projects**Homework**

Students will work on the following shop projects

- fish tank
- plumbing for growth units
- shelving/tables

8th Grade Ag 2:48pm - 3:35pm

Waterfowl ID**Homework**

Students will go practice waterfowl ID

Friday 09/22/2023

Intro to AFNR 8:23am - 9:10am**FFA Part 2 -- FFA Basics & FFA Creed****Homework**

Students will complete the Part 2 worksheet and will go over the FFA Creed.

Fund Ag Mechanics 9:13am - 10:00am**Terms Quiz & Area Calculation****Homework**

Students will take a quiz over the terms associated with legal land description and surveying.

They will also go over area calculations.

Ag Power 10:03am - 10:50am**Reading a Micrometer****Homework**

Students will learn how to read a micrometer

Adv Animal Science 11:43am - 12:30pm**SMAW -- Modern Welding Textbook****Homework**

Students will read about SMAW welding from the Modern Welding textbook.

Fund Plant Science 1:08pm - 1:55pm**Soils Quiz****Homework**

Students will take a soils quiz

Ag Structures 1:58pm - 2:45pm**Shop Projects****Homework**

Students will work on the following shop projects

- fish tank
- plumbing for growth units
- shelving/tables

8th Grade Ag 2:48pm - 3:35pm**Waterfowl ID -- Kahoot**
