

Monday 09/04/2023

Labor Day

Tuesday 09/05/2023

Intro to AFNR 8:23am - 9:10am

ICEV Lesson Review**Homework**

Students will go over the ICEV lessons --- Introduction to Career Clusters and AFNR. Go over assessment and vocabulary.

Fund Ag Mechanics 9:13am - 10:00am

ICEV lesson Review**Homework**

Students will go over the ICEV lesson on Building Construction -- Surveying

Townships of Hand county -- label all townships and start learning Range 70

Ag Power 10:03am - 10:50am

Chapter 1 -- test 1 and 2 swap**Homework**

Students will swap the answer for test 1 and 2 with the other students in their class.

Adv Animal Science 11:43am - 12:30pm

Similarity Index**Homework**

Students will go over the worksheet on Similarity Index that some did last Wednesday.

Fund Plant Science 1:08pm - 1:55pm

Worksheet Review**Homework**

Students will go over the worksheet that they completed last week.

They will do a practice problem if they have time.

Ag Structures 1:58pm - 2:45pm

Shelves in Storage Room**Homework**

Students will construct shelves in storage room and continue to assemble the enclosure for the CNC router.

8th Grade Ag 2:48pm - 3:35pm

Upland Game Birds worksheet review**Homework**

Students will go over Upland Game Bird worksheet and the GF&P website worksheet to record season, and bag information.

Wednesday 09/06/2023

Intro to AFNR 8:23am - 9:10am

Introduction to FFA Unit**Homework**

Chapter 1 of FFA Handbook -- read and fill out worksheet. They will learn about involvement in FFA, 3-Circle model and mission.

Fund Ag Mechanics 9:13am - 10:00am

Differential Leveling**Homework**

Students will perform a differential leveling lab. They will set up the transit, record a backsight, calculate height of instrument, record a foresight and calculate elevation.

Ag Power 10:03am - 10:50am

Chapter 2 -- Safety**Homework**

Students will read and discuss chapter 2 in the textbook

Adv Animal Science 11:43am - 12:30pm

Range Plant ID**Homework**

Students will go and identify Range plants

Fund Plant Science 1:08pm - 1:55pm

Soils Pit Lab**Homework**

Students will go to the soils pit and go through how to judge a soils pit.

Ag Structures 1:58pm - 2:45pm

Shelves in Storage Room**Homework**

Students will construct shelves in storage room and continue to assemble the enclosure for the CNC router.

8th Grade Ag 2:48pm - 3:35pm

Jig Saw safety and operation**Homework**

Students will go over Jig saw worksheet and see demonstration.

Thursday 09/07/2023

Intro to AFNR 8:23am - 9:10am

History of FFA -- Chapter 2**Homework**

Students will complete a worksheet with important dates in the history of FFA.

Fund Ag Mechanics 9:13am - 10:00am

Legal Land description worksheet**Homework**

Students will complete a legal land description worksheet.

Ag Power 10:03am - 10:50am

Chapter 2 worksheet**Homework**

Students will complete a worksheet on Chapter 2

Adv Animal Science 11:43am - 12:30pm

Beef Carrying Capacity worksheet**Homework**

Students will go over how to calculate Beef Carrying Capacity worksheet

Fund Plant Science 1:08pm - 1:55pm

Part II -- management**Homework**

Students will go over when they mark the card for the correct management activities --- vegetation, mechanical and fertility.

Ag Structures 1:58pm - 2:45pm

Ecology Room**Homework**

Move carts into ecology room and plumb them up.

8th Grade Ag 2:48pm - 3:35pm

Upland Bird ID quiz**Homework**

Students will take a quiz on Upland game bird and then we will discuss habitat desirable for Upland Game birds.

Friday 09/08/2023

Intro to AFNR 8:23am - 9:10am

History of FFA -- Chapter 2**Homework**

Students will continue to complete a worksheet with important dates in the history of FFA.

Fund Ag Mechanics 9:13am - 10:00am

History of Hand County**Homework**

Students will go over history of Hand County -- Chapter 1 and do family reports.

Ag Power 10:03am - 10:50am

Model, Type, Code worksheet**Homework**

Students will learn about the model type and code for motors, and what they mean

Adv Animal Science 11:43am - 12:30pm

Beef and Prairie Grouse Habitat Worksheet**Homework**

Students will go out in the range and talk about Beef and Prairie Grouse Habitat worksheet.

Fund Plant Science 1:08pm - 1:55pm

Homesite**Homework**

Students will start on the homesite evaluation.

Ag Structures 1:58pm - 2:45pm

Ecology Room**Homework**

Move carts into ecology room and plumb them up.

8th Grade Ag 2:48pm - 3:35pm

Jig Saw operation**Homework**

Students will perform cross cuts and miter cuts with the Jig Saw.
